

## 4-Way Test Essay Contest

The Rotary Club of Sioux City invites 6<sup>th</sup> grade students to participate in our 4-Way Test Essay Contest. Students are asked to write a 200 to 500 word essay answering the question, "How can I apply the Rotary 4-Way Test to my life?"

We are excited to hear the perspective 6th graders have on our 4 Way Test!

Additional documents describing the contest, its history and requirements are available. Once the essays have been written, teachers can narrow down the group and submit their top ten or they can submit all of the essays collected. Essays should be submitted by mail or email no later than March 1, 2017.

A panel of Rotarians will determine the top essay and the award recipient will receive a \$100 prize.

The winning essay will be sent to Rotary District 5610 where it will be judged with the winners from the other clubs in the District. The winners of the District contest will be announced in April of 2017. The first place winner will receive a \$200 check, a certificate, a 4-Way Test coin and the chance to read their essay at the District Conference to be held October 13 -14, 2017 in Le Mars. Second place receives a \$100 check, a certificate and a 4 Way Test coin while third place receives a \$50 check, a certificate and a 4-Way Test coin.
